2. **Outreach since the launching of the project final draft products in April 2015**

   ✓ 7th World Water Forum, South Korea, April 2015

   ✓ IUCN-Regional Office for West Asia Regional Conference, Egypt, May 2015

   ✓ Gerald Lacey Memorial Lecture May 2015. ICE, London, United Kingdom

✓ Congress of the International Association of Hydrogeologists (IAH), September 2015, Rome, Italy

NB. It is to be noted that some of the outreach activities have been carried out by organizations and individuals other than the project direct partners. For instance, the presentation of IUCN was done by UN ESCWA, and those for Gerald Lacey Memorial Lecture and China Forum were done by a former member of the Project Core Drafting Team, at no cost for the project.
